MARCH 18, 1950

On this page is listed our FRUIT STOCK, graded and in storage. We can make immediate shipment on any of these items. We are prepared to process your orders immediately. In most every case they will be on the road back to you within 24 hours from the time we receive your order.

All of you have some items you need to round out your Spring Sales. Shoot that order to us and be sure of having everything you need, then you can make every SALE POSSIBLE. **REMEMBER**, 10% In additional Sales is practically all profit! Your overhead has already been taken care of by previous sales.

Take a SPECIAL look at the Jumbo Peach, Apple, Cherry and Pear. They're really beautiful trees and you can certainly RETAIL THEM. When your Customers see what large size, well proportioned trees they are, they won't mind paying you a GOOD PRICE for them. Then you will really make a PROFIT!
